Bob's Handyman Services provides a wide range of reliable handyman services in London. We work with trained and experienced tradesmen and we're ready to help you with any property repair task, no matter the size.

Some of the services we can perform in London:- Plumbing Services - Bob's

Handyman Services provides plumbing services in London that are handled by a fully-trained and experienced plumbers.

We work with trusted local specialists able to assist with plumbing installation, repair and unblocking tasks. Furthermore, we offer services that require qualified staff such as boiler servicing, installation and repair, radiator repair, replacement

and installation, gas safety certificates, etc.

We offer plumbing services seven days a week, with same day or next day appointments depending to our availability.- Electrical services - the qualified and fully-trained electricians will provide all the tools and equipment necessary to diagnose and repair any problems that may arise at your property. Everything from replacing light fixtures, switches and sockets to consumer unit replacements will be carried out safely and up to the highest standards! Moreover, we work with NICEIC-certified electrical engineers to handle more complex repairs, fault finding and rewiring projects. We provide quality work 7 days a week, delivered by friendly and professional London electricians.- Painting and Decorating

- Carpentry
- Odd Jobs - the handymen we work with can hang picture frames, install curtains, and assemble furniture.
- Home Refurbishment - fitting of kitchens, bathroom refurbishment, lofts and garages conversion, tiling and grouting etc.
- Furniture Assembly - we can assemble your new flat-packs with no hesitations, no matter the brand and the type!

Enjoy high quality work, available 7 days a week, performed by skilled local technicians. Our customer support team is available 24/7.
